## Trident Yacht Club

**TYC** is a well run, friendly, family-oriented organization. We cater primarily to the cruising boater, both sail and power. Functioning as a yacht club since 1964, we are self-governed by a Board of Directors elected by our members. We have a full-time manager and during the summer boating season, we also have a dock master. Our grounds, harbour and clubhouse are beautifully kept and constantly upgraded. Our docks were completely renewed in 2008.

**TYC** gives testimony to what dedicated boating enthusiasts can accomplish. Our members hail from all walks of life and come to us from a very large catchment area, stretching from Montreal to the East, West to London, the Outaouais to the North and New York State to the South. During the summer, our members enjoy a comprehensive program that includes long and short distance flotilla cruising, special event club racing, multiple club and cruising social events and gala parties.

**TYC** is located in the heart of one of North America's premiere boating environments. Our location on the Bateau Channel provides quick and easy access to the beautiful Thousand Islands. We are also blessed with proximity to Lake Ontario, Kingston, Prince Edward County and the waters of Northern New York State, a combination that provides superb sailing, great anchorages, wonderful cruising, marinas, world class restaurants and wineries, and cultural venues. Without hesitation, the best sailing area in Ontario.

**TYC's** harbour can accommodate 106 vessels. Our finger docks range from 2.5 to 5 feet wide, with lengths up to 44 feet, allowing us to accommodate boats up to 50 feet. Each slip has 110V power (30A) and fresh water. There is a pump-out station and we have the capacity for up to 45 boats for winter storage.

**TYC's** location offers a panoramic view of the beautiful Bateau Channel. Our grounds and landscaping provide a peaceful environment, with multiple indoor and outdoor BBQ and picnic areas, as well as quiet spaces to enjoy the view, chat with friends or read a book.

**TYC's** clubhouse is used for informal member get-togethers and organized club events. It offers:

- a great room where members can relax in front of the fireplace
- a fully equipped and recently renovated (2010) kitchen
- a screened-in porch for dining
- a bar open to members each Friday night and during special occasions
- separate Men's and Women's washrooms complete with showers
- fully equipped laundry room

**TYC** is not a marina – it is a nautical self-help community whose focus remains firmly on enhancing the total boating experience of our membership.

**TYC** is a unique yacht club in the perfect location. It delivers a first class family sailing/boating experience at a very reasonable cost. With its great infrastructure, magic environment and great social life, **TYC** is the place to be. Come join us and discover for yourself the gem we call **TYC**.
